9400 Coastal Hwy

Ocean City, Maryland 21842

Atten: Jamie Linebaugh – Building Manager

~~October 21, 2025~~ Jan 15, 2026

(267)

MDU Data Com will provide the following Services for DTV Stream for each of the 165 CONDOS

1-Provide, program and install in each Condo up to 3 DTV Stream Gemini Boxes - No monthly Charge for the 2<sup>nd</sup>/3<sup>rd</sup> Box for the 5 yrs and will provide the same N/C for all future 5 yr agreements. (Savings per receiver charge-\$3.35)

- Smart TVs do not require a box - Please provide a list of units where the owners want to use their Smart TV instead of an external box.
- Two boxes are allotted for the one bedroom 08 stack.

Management will provide the owners list with emails/phone Numbers to the MDU Help Team so deploy the Boxes to the property for the Install. All Owners will have the BULK program- That the HOA pays Directly to DTV and all additional programming will be selected by individual owners and PAID for by Condo Owners on their own bill that will go to their email address. The Bulk Amt will be Zero on the invoice they see.

- Each unit will receive the ability to use up to 20 Apps per account and 3 additional apps that can be used outside of your 9400 addresses. This will allow owners to eliminate other TV services at their other residences.
- Common Area- will be provided 3 additional boxes for service in the Lobby TV, Exercise Room TV and Chesapeake Room TV.

3- All Gemini boxes Are able to travel and go to owners 2<sup>nd</sup>/3<sup>rd</sup> residences. NO Limits. This will allow owners to eliminate OTHER Video services at their other residences-Nice Option/ BIG Savings

- DIRECTV Stream will be raising prices in November 2025.
  - MDU will hold the stated monthly rate for one year (no price increase) if contract is signed by end of November 2025.
- DirecTV Stream provides a toll free number for customer service and billing related issues which provides real time assistance to the client over the phone. MDU Datacom also provides a customer support number to help with services and WIFI issues/outages
